

AEF468 Lifelong Learning

Ataturk Education Faculty – Elective course

Credit: 2 ECTS: 4

Course Description: This course, AEF468 Lifelong Learning, delves into the integration of the global citizenship objective within the frameworks of SKA 4 and SKA 17, aligning it with sustainable development goals and providing a vision for the future of education within the scope of lifelong learning.

Course Outcomes:

- Understand the interconnection between global citizenship and sustainable development goals.
- Develop a vision for the future of education within the context of lifelong learning.
- Analyze and critically assess the implications of SKA 4 and SKA 17 on the educational landscape.
- Explore ways to incorporate sustainable development principles into lifelong learning practices.
- Demonstrate an awareness of the importance of fostering a sense of global responsibility in education.
- Formulate strategies for promoting global citizenship through educational initiatives.
